2016-12-10 17:42:20, Sat	INBOX	Had an hour long convo with Bill. Talked about the meeting (they had it at DoJ, Bill, Jim and Jon), expressed our frustration, Bill responded. \n\nTalked about [REDACTED] and WFO SAC job, what I expected, [REDACTED] and [REDACTED] saying [REDACTED] which is fine, you know the conflicted way I feel about that but it is what it is. Mike said something super irritating to Bill, essentially, Pete briefs well but he needs more time to demonstrate his ability to manage. Bill said he thought that was just a fig leaf for saying [REDACTED] but it aggravates me. I'm sorry, I'm not briefing what someone tells me, I'm briefing what I'm doing. And I'm managing (for the case) a ton of people in various divisions and multiple agencies and foreign governments. Not to mention the issues I've briefed you on and am managing for cd3, etc. \n\nI do think it's a fig leaf, but have the balls to say, Pete, you're doing a great job. Keep it up. You've just gotten promoted, twice, and we need you as a DAD where you can do good: embrace that role. DON'T tell me, you brief well but you need to show me some more management skill. F you. I manage my ass off every goddamn day in this sh*tstorm, and keep the branch running to boot.	mms

2016-12-10 17:46:16, Sat	OUTBOX	That is 100% a fig leaf. And more than a fig leaf, it's a reflection of [REDACTED] insecurity and arrogant overconfidence. Don't give it a second more thought. I mean it.	sms
2016-12-10 17:47:06, Sat	OUTBOX	Was Bill's response re meeting adequate?	sms
2016-12-10 17:50:00, Sat	INBOX	But how much does his saying that translate to the other EADs? [REDACTED] out the door, as is [REDACTED] but I don't want [REDACTED] poisoned by it. Think I'm good with [REDACTED] and [REDACTED] just with more time.	sms
2016-12-10 17:51:48, Sat	INBOX	It was OK. I told him we heard via [REDACTED] / [REDACTED] and that we were all disappointed. He said he understood, but he was able to talk that way broadly without giving any specifics, so he thinks it helped rather than hurt. Said we hadn't closed anything, and generally talked about our path forward. Said they didn't ask for an update when we got back, and that he thought we were in a good place.	sms

2016-12-10 17:51:55, Sat	OUTBOX	It won't. Andy's views on the matter will carry a lot more weight than Mike saying something on his way out the door.	sms
2016-12-10 17:53:46, Sat	INBOX	And I appreciate you saying don't give it a second thought, but it burns me. Bill did say my reputation with the D and DD is solid, which is fine. But the fact of the matter is the D doesn't sit on the board, and Andy is much happier going with the boards recommendation. So I need to not let this view become the common wisdom/stock answer on the zero corridor.	sms
2016-12-10 17:54:33, Sat	OUTBOX	The D reviews every one of the decisions of the Board. And if he disagrees, pushes back.	sms
2016-12-10 17:56:18, Sat	INBOX	I know, but I told Bill I really needed him to determine whether or not I should even put in, and the message it sends either way. He said he would talk to Andy this week.	sms
2016-12-10 17:56:40, Sat	OUTBOX	It won't. Stop worrying. Trust me.\n\nIf you had more time as DAD under your belt, do you actually think [REDACTED] would even stand a chance because of some bs claim that you need more proven leadership? Because that happened when you both were up for DAD? Come on. It's face-saving for [REDACTED] pure and simple.	sms
2016-12-10 17:57:16, Sat	OUTBOX	The answer is no, Pete. 100% no. Andy will say the same.	sms
2016-12-10 17:58:14, Sat	INBOX	In other news, he said OCA is posted and Andy looking to take care of [REDACTED]. Thus came up in the context of bill asking about a term for [REDACTED] who deserves it, and Bill was told no. I assume that would be a different answer for [REDACTED]. So I need to talk to [REDACTED] to see if he'd be interested in an SC job in CD, because he'd be better than 95% of the candidates we have putting in. Even though we can't get a term for [REDACTED]. All this irks me. Let's just be open and honest. \U0001f612	mms
2016-12-10 17:58:54, Sat	OUTBOX	It's not good for you or Bill to have to ask Andy this. Please. Just go to Bill and tel him no. You need to trust me on this.	sms
2016-12-10 17:59:17, Sat	OUTBOX	I believe [REDACTED] is interested.	sms
2016-12-10 17:59:44, Sat	INBOX	Good, but then let Andy clearly tell Bill that and it will be fine. I'll work hard, and in 12 months when I've been DAD enough time and there's nothing at WFO, will figure out what to do.	sms
2016-12-10 18:00:41, Sat	OUTBOX	Why do you need to make andy tell Bill? I'm telling you, it's to neither of your advantage to ask him. Bill should be able to figure this out on his own.	sms
2016-12-10 18:01:10, Sat	INBOX	Ok fine I will (re telling Bill). I can suggest he not tell Andy, but I kind of WOULD like him to ask, OK, Pete wants to stay and work hard as DAD, what do you see him doing August when he's now been a CD SESer for a year and a half?	sms
2016-12-10 18:01:52, Sat	OUTBOX	And it won't be a term for [REDACTED]. It will be a permanent SC, I suspect, but he will just have to sign a promise to not try to go be an sac. So be smart about where you place him, because he'll probably stay there the rest of his career.	sms

2016-12-10 18:02:51, Sat	INBOX	I think [REDACTED] is interested, too, based on convos we've had. I don't know whether to put him in 4 or 2. Don't think he has the CI background for 3.	sms
2016-12-10 18:03:13, Sat	INBOX	[REDACTED] problem is he's never even been an SSA.	sms
2016-12-10 18:03:39, Sat	INBOX	People obviously understand he's now been both dgc and ad of oca, but stuff like that matters.	sms
2016-12-10 18:03:59, Sat	OUTBOX	That's a different conversation, and one he can have not in this context. Or even better, one YOU should have with Andy. It would be more meaningful that way anyway. "Andy, I'm not putting in for sac, but where do you see me... Especially since I heard criticism of me from Mike which I didn't think was fair, wanted to make sure you didn't think that was widely thought..." 2.	sms
2016-12-10 18:04:07, Sat	INBOX	Most importantly, as far as I'm concerned, he's a good guy and I would trust him as a SC.	sms
2016-12-10 18:04:16, Sat	OUTBOX	It does. That's why he won't be allowed to advance.	sms
2016-12-10 18:05:54, Sat	INBOX	I didn't tell you the grown up convo I had to have with [REDACTED] in London, when he asked and got angry at why I was likely not to be the next SAC, and had to be the calm measured professional explaining all the reasons why not.	sms
2016-12-10 18:07:14, Sat	OUTBOX	[REDACTED] got angry? Understandable, but I'm proud of you for explaining it. I hope you truly believe it as well.	sms
2016-12-10 18:08:53, Sat	INBOX	Yes he did. You know how I feel. I believe it, just as I believe had I not applied for or applied for and not gotten the DAD job, that I would have a great shot at it. And that I believe I'm the best person for both jobs, and ultimately, the best to be Bill's successor in CD.	sms
2016-12-10 18:10:19, Sat	OUTBOX	All of that is correct. You just can't move having been DAD for three months. If you had stayed SC, you would be SAC. And you will be AD too.	sms
2016-12-10 18:11:52, Sat	INBOX	If I stay long enough or am willing to move, for sure. But neither of those are necessarily true. But nothing I can do but work hard and answer whatever decision is in front of me.	sms
2016-12-10 18:14:42, Sat	OUTBOX	That's the right attitude. I just hope you believe it in your heart of hearts.	sms
2016-12-10 18:16:40, Sat	INBOX	You know im conflicted! To show my muddle, think of it this alternative way: I've now been back at HQ for 16 months. Had John G not been gone all the time and the board gone earlier, I would have been an SESer for over a year now. Woulda coulda shoulda, I know. How long was Jason acting?	sms
2016-12-10 18:18:04, Sat	OUTBOX	Acting AD? Since August, I think.	sms

2017-05-24 00:40:18, Wed	OUTBOX	So if you really do want to join the team, don't let my participation stop you. Truly.	sms
2017-05-24 00:40:49, Wed	INBOX	Make sure you're weighting all your considerations honestly and appropriately. You said tonight you want to stay and protect the FBI. Is that true, or is it really stay and protect Andy? What if it's Director Townsend? Staying for Andy is perfectly fine. Just be brutally honest with yourself.	sms
2017-05-24 00:42:23, Wed	INBOX	I don't know what I want, Lisa. I don't want to be anything but the lead agent. And I think even that is going to be a far cry from the inner sanctum of what Bob decides. I don't think agents will play a significant role. I (or whoever) might work into that circle of trust, but he's not going to view the lead agent the same as aaron	sms
2017-05-24 00:43:26, Wed	OUTBOX	No, but Aaron might, which would be as good as Bob doing it.	sms
2017-05-24 00:52:12, Wed	INBOX	I guess. Still. I would likely retire out of that job. No way its done in [REDACTED]	sms

2017-06-01 01:09:41, Thu	OUTBOX	I'm sure he's calling to follow up from my text yesterday in light of Bob's call today. \n\nTo be clear, if he asks about you I'm going to say you're always a benefit to the team, but that the team will be okay without you.	sms
2017-06-01 01:15:14, Thu	INBOX	Is that the right answer re me? It may be true, but I'm reassessing what the hell I want right now. I don't have a great feeling about the big bureau right now and my role (and others perception of that) in it, and the SC seems like a tangible, worthwhile effort to do before I retire.	sms

2017-06-01 01:23:35, Thu	INBOX	Is Andy truly accepting of the fact of the potential limitations that he may not be DD as long as he thought, and regardless, that we'll have a new D, as all this unfolds?\n\nBtw, Bill said he heard some guy in INSD was ranked #2 for the job. Someone we interviewed for a SC job in CD and turned down. Truly I don't know wtf is going on. Do I have cognitive dissonance?	sms
2017-06-01 01:44:36, Thu	INBOX	Look, here's the bottom line as best as I can sum up (and I hope you already know all this)\n\n- I don't think Andy's acting in bad faith. I do think what he hypothetically proposes isn't something in his thought process or skillset or his available time and ability. In other words, when JG or Randy or even Bob said they had a plan, they had a PLAN. I don't think Andy does. And as A/D that's something too small for him to worry about. To put a fine point on it [REDACTED] Wtf. Such a pin to the balloon of faith and confidence in the system. \n\n- I knew my standing with Comey and Andy. One is gone, the other uncertain at best. \n\n- I don't trust/believe in my standing with Dave and Carl and the rest of the EADs.\n\n- the SC is straightforward and rewarding, meaningful, honorable and a known quantity. It would cement my image as the "special project guy" or "glorified case agent" (nevermind they'll never see [REDACTED] that way for doing the same job less well). I guess I'm feeling like I don't care about that right now. But it's not like I have a long time left.	sms
2017-06-01 02:05:56, Thu	OUTBOX	I understand all this. So what do you want me to say to him? Can I lay out this thinking, attributes to me?	sms
2017-06-01 02:20:26, Thu	INBOX	I don't know. \n\nMaybe I should sleep on it.\n\nMaybe, Pete's uncertain, between Comey the [REDACTED] he's reassessing if he should just go?\n\nI don't know, Lis.	sms

2017-06-01 02:36:40, Thu	INBOX	Sorry I don't have a ready answer here. I feel strongly - if ambiguously - at the same time I want to represent myself at the same time I don't want to be "that guy." \n\nNone of us are owed anything. Except when I think of the last 18 months. \n\nAnd then I think several of us ARE owed something. [REDACTED]	sms
2017-06-01 10:09:59, Thu	INBOX	Hi. \n\nThe only additional thought I had is it's not tenable to have both me and [REDACTED] there. If he's in charge and I'm around, it undermines him (because Mueller and Aaron will be looking to me), it puts me in a horrible position, and it's a waste of Bureau resources. I told Bill that, but I don't know that will get up from him thru Carl to Andy.	sms

2017-06-01 10:16:51, Thu	OUTBOX	I'm growing more doubtful about my role staying on. For the same reason you're not absolutely essential once 30 or 45 days is up, I'm not absolutely essential. You don't need someone to see around corners and check for pitfalls when you have the most all-star of all-star teams. I mean sure, might catch a ball or two? Maybe. But not like the value I add at HQ when it's mostly not all-stars.	sms
2017-06-01 10:16:59, Thu	INBOX	Thanks. Really curious to hear what he's thinking.	sms
2017-06-01 10:21:01, Thu	INBOX	I hear you. But a couple of things. First, I really truly believe you're not giving yourself enough credit for how good you are. Depends on what you want. At the Bu, you'll be a superstar amongst mostly not all-stars. There, you're a superstar amongst superstars. Second, be really honest, what is your future at the Bureau? As long as Andy is A/D, you're in a weird place with JR and [REDACTED] I don't know what his future is when a D is confirmed. Nor do I know Bakers future. [REDACTED] [REDACTED] And in terms of launching into the private sector, it's FAR more valuable.	sms

You're too good, too enegetic, too competent. \n\nJust BE YOU. And trust. Yourself. The righteousness of all this. \n\nIt will be OK. I pinky promise. Which is the opposite of tough guy army sayings.
